

SMART INDIA HACKATHON 2018 - GRAND FINALE

30th and 31st March 2018.

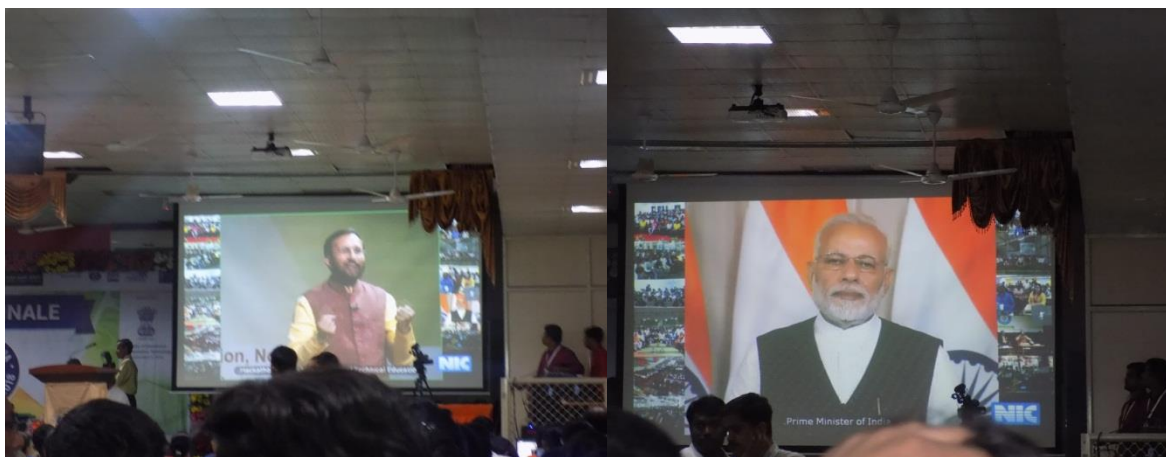

Smart India Hackathon 2018 - Grand Finale was organized by Govt. of India on 30th and 31st March 2018. **SIXSOFT** – a vibrant team of six enthusiastic students and two mentors from Dept. of CSE, Techno India – Batanagar qualified for the grand finale under *Ministry of Electronics and Information Technology (MeitY)* and had their center at Hyderabad. Creating a working prototype out of an idea in non – stop 36 hours and simultaneously presenting the model to scientists and national level educators was part of the exercise and felt highly exciting.

The event commenced with an inaugural speech by AICTE chairman Dr. Anil Sahasrabudhe, which was followed by a motivating speech by Mr. Prakash Javadekar, Minister, HRD. Shri Narendra Modi, honourable Prime Minister of India, greeted all the participants and officially launched the most pulsating project competition of the year. The event was fired at 800 HRS on 30th March 2018 to finally end at 2000 HRS on 31st March 2018.

The problem statement assigned to **SIXSOFT** was “*Online Job Applications received by any organization or institute, the credentials of Candidates (if available on any repository) should be verified instantly online. And the unnecessary use of online storage for uploading documents all the time while applying can be reduced*”. The event has three rounds of evaluation by a group of experts (each round by a different set of experts). The experts not only evaluated the progress, but also provided useful thought matter for further furnishing of the proposal. All the evaluations were timed evaluations which were highly exciting. The team had a great and exhilarating experience attending the *Smart India Hackathon 2018-Grand Finale*. The event provided the team with unending exposures to explore and get prepared for bigger events in life. It was truly *once-in-a-lifetime experience*.

Team members : Sourav Kundu (Team Leader), Ankita Tewari, Yishnu Pramanik, Ronit Kumar, Sameer Kumar and Swarnali Sen

Mentors : Dr. Diganta Sengupta, Prof. Sayan Nath.

Our Honorable Central HRD minister, Mr. Prakash Javadekar and our Honorable Prime Minister of India, Shri Narendra Modi, greeted and wished all the students good luck for Smart India Hackathon 2018.
