

# TECHNO INTERNATIONAL BATANAGAR

Date: 16<sup>th</sup> June 2020

Ref. No.: TIB/ADMIN/NOTICE/2020/08

## NOTICE

### APPEAL TO ALL STUDENTS

The pandemic caused by the attack of the virus COVID19, has led to the physical closure of the Institution since 15<sup>th</sup> March 2020. But when one door is closed we engineers and technocrats always find an alternative way to continue the legacy of taking forward the future of mankind. Such a legacy is been taken up by the Faculty Members & Technical Staff of TIB as they shouldered the responsibility of continuing education in a digital platform so that the education of our students is nowhere hampered. As per the guidelines of the University you have been extended all the due facilities of education so that you do not evolve in a world of unknown.

When we were evolving victorious with the COVID19 situation the last blow was stuck by the cyclone AMPHAN. We know that many of our Students, Faculty & Staff Members have been heavily affected. We extend our heartfelt sympathy for them and stand by their side so that they emerge out with a new normal.

As you are well aware of the fact being a self-financed Institute all our statutory expenses are bourn from the fees you pay.

Thereby I would appeal to all my students who are capable enough, to bear the fees for the odd semester and clear their dues by 25<sup>th</sup> June 2020 so that we can continue shoulder the legacy of continuing education in all alternative forms till normalcy returns and we will be again be able to hear your buzz in the Campus which had been lying in silence since the middle of March 2020.

Kindly get in touch with your respective Head of the Departments and Finance Department in case of any kind of assistance in regard to payment of fees and other academic and mental support.

I presume that we all will emerge victorious in the joint battle against COVID 19 & AMPHAN.

Stay Safe & Stay Positive.
